

Partner Brief 2026

Entrepreneurship training that follows through

What Elimu+ does

We train women and youth in practical entrepreneurship through institutions that already serve their communities: churches, CDCs, NGOs and colleges. Every participant completes a bilingual, Swahili-first SEE Canvas (Solutions for Entrepreneurship and Employment), built on the SAME principle: Simple, Actionable, Memorable, Experiential.

Two formats

- **5-Day Crush (adults):** five days, the last two on costs and income. Two trained facilitators.
- **12-Day SEE Programme (youth, 15 to 24):** 12 sessions, quoted separately.

Early results: first adult cohort (10 women), 60-day follow-up, October 2026

About 45

people trained across four
cohorts since 2025

With ten businesses these are early signals, not proof. Figures are reported by participants and checked by our field team where possible. Not every business is thriving, and we report that to partners as openly as the good news.

2026 rates: adult training (5-Day Crush)

Per participant, per 2-hour session, minimum 5 sessions per participant.

Group size	Rate per session	Per participant (5 sessions)	Examples
1 to 15	KES 300	KES 1,500	10 people: KES 15,000 15 people: KES 22,500
16 to 25	KES 250	KES 1,250	20 people: KES 25,000 25 people: KES 31,250

Groups of 10 or fewer may alternatively choose a flat KES 3,000 per 2-hour session. Groups well over 50: custom quotation.

Follow-up is priced separately

Follow-up visits at 30, 60 and 90 days are **not free**. They are KES 1,000 per participant (flat KES 10,000 for groups of 10 or fewer), so every visit is planned, carried out and reported.

Training rate includes

- Curriculum and facilitation by two trained facilitators
- Bilingual, Swahili-first materials
- Formal programme report
- Certificates of completion

These rates apply to 2026 only. Invoices are based on confirmed attendance registers. Rates may be revised if final numbers fall outside the tier quoted. Every quotation is issued in writing with its own validity date.
